17. November 2014 - Bruxelles

RE:
distribution/cycle

Consumer EEE redistribution framework

Using lessons learned from

- collaborative techniques
- big data
- sharing economy
- State-of-the-art technology

Functionalities of the framework

Smartphone App and Website

- database of EEE's technical specifications
- database of recycling facilities
- motivation system
- community sharing
- donation and crowd-funding
- social network
- smart community transport

Mobile e-waste framework

RE: distribution/cycle

Thank You!

Mr. Andras Kovecs

CEO ARTKLIKK
